Enjoy this one hour solfeggio sound healing experience as it leads you through the nine principle solfeggio tones. Originally produced in 2006, this album was re-rendered with subtle adjustments made to resonance amplitudes to enhance quality.
\$11.00	Solfeggio Harmonics Vol. 2	174Hz Ancestral Healing 285Hz The Call for Love 396Hz Coordinated Fields 417Hz Alchemical Fire 528Hz Galactic Heart 639Hz Divine Reception 741Hz Lucid Trust 852Hz Enchanted Waters 963Hz Silent Communion	9	1h 20m 0s	Inspired by the harmonic patterns behind light, electromagnetism, and sound, this album is the second installment of the Solfeggio Harmonics Sound Healing Project. Solfeggio Harmonics Volume 2 is 9 parts, each carefully tuned to a solfeggio frequency - tones derived from a form of mysticism that uses modular 9 arithmetic. These vibratory healing journeys will interest alternative healers, meditators and ambient music lovers. Considered to be sound medicine, this album is inclusive of the winding path of the souls journey, imprinted with the memory of its origin and destination. Situated somewhere between New Age, ambient and electro-world genres, Solfeggio Harmonics Vol.2 rides a cutting edge of consciousness music, where ancient mystical mathematics and modern music technology converge in a transmission of therapeutic sound. Vibrationally encoded sonic communications are set in the context of textural soundscapes and woven with intentional melodies and subtle grooves. This album features scenes that are both meditative and inspiring: a heartfelt maneuvering of sound and mathematics in the spirit of love and light.

Listen to this track in conjunction with alternative healing methods to evoke the alchemy of white gold.
\$2.22	Single	144Hz Pyramid of Healing Sound	1	0h 7m 56s	This track is a vibro-acoustic healing/ activation session sonically modeled after the proportions of the Great Pyramid of Giza, connecting listener's into the energies of the ascension chamber and the Orion star portal. To meditate within the resonance point of this sound frequency, set up two speakers in an equilateral triangle with the position of the listener being the third point. The distance between the speakers and the listener should be roughly 95 inches or 8 feet, or 2.5 meters.
\$3.99	EP Single	11:11 Deepening Delta	1	0h 11m 11s	1111Hz carrier frequency leads to a 2Hz delta pattern. A deep inward journey, spiraling into the center point.
\$5.55	Single	OM Sync 2	1	0h 8m 50s	An Om meditation using lunar tuning for accessing the healing energies of the Divine Feminine. The heart and brain are joined in the interval of the fifth, uniting their rhythms in the primordial tone of origins. Breath deep of color through the eyes and of sound through the skin, that even our very cell may remember that all abides in the healing temple of the Earth.
\$7.00	EP Single	Gabriel's Trumpet	1	0h 30m 0s	Gabriel's Trumpet can be used as a bio-acoustic sound healing track as well as a brainwave entrainment program. Tuned to 432Hz, a frequency known in Pythagorean mysticism as having mathematical properties uniquely aligned to the golden ratio, this track can assist in bringing listeners into a state of bio-energetic and brainwave coherence. The brainwave program descends from 9Hz to 3Hz along a 108Hz carrier frequency, a harmonic of 432Hz facilitating a state of deep relaxation where healing and change can more readily occur. A Theta Brainwave entrainment product. For best results please use stereo headphones.
\$8.99	EP Single	Womb of Peace	1	1h 1m 40s	Enjoy this lilting sound scape as a relaxation and sleep aid. Designed to simulate a womb-like experience, this track uses a decelerating heart beat, water sounds and white noise to subtly trigger acoustic associations. This track is specifically designed to help infants sleep more deeply and comfortably by offering acoustic stimulus similar to what is actually heard inside the mother. With ocean sounds and musical drones, adults will also find this track pleasing to listen to.
\$4.00	Single	Fissure	1	0h 10m 8s	The cracks are where the light is able to enter. Enjoy this 10 min ambient music experience exploring a shimmering light that penetrates to the depths of the shielded and forbidden. 432Hz tuning.
\$4.00	EP Single	Calderium	1	0h 10m 52s	432Hz tuning ambient bliss. Take a trip on the earths frequency.
\$4.00	Single	Pentagogy	1	0h 7m 56s	Pentagogy is a short live recorded SMR entrainment session designed to give your brain a boost when its foggy or bring relaxation when its over active. *tuned to A = 432Hz, with a 14Hz binaural beat frequency on a 72Hz carrier tone. SMR Entrainment utilizes Sensory-Motor Rhythm frequencies (12-15 Hz), and corresponds to the beta range. These frequencies are often used in the treatment of attention deficit disorder, helping to both calm a busy mind and enhance concentration. For best results please use stereo headphones.
\$9.99	EP Single	Pineal Gland Activator	1	0h 22m 4s	Enjoy this powerful alpha meditation made in the spirit of awakening the third-eye. Use this track for relaxation, sound healing or meditation. \$5.99	EP Single	111Hz Solfeggio Iterations	1	0h 20m 24s	his 9.25 Hz Alpha Entrainment program, is the first in a series of nine solfeggio iterations, resonating the central column around which each of the frequencies corgregate. This track is harmonically aligned so that both the carrier frequency and the brainwave entrainment program vibrate in unison with the alpha state where active or contemplative meditation occurs. Use this track as a backdrop for your mind training practice, or study periods as an aid in focus, memory retention, and the assimilation of information.
\$9.00	EP Single	1122Hz Solfeggio Master Frequency	1	0h 48m 0s	The entrainment program in this track brings listeners into an active alpha state at 7.91Hz on a 93.5Hz carrier tone, making this track ideal for morning meditations, study sessions, or to accompany a creative visualization process. This track is great for both beginning and advanced meditators as either an entrainment program or sound healing tool. Please use stereo headphones to receive the neurological benefits, or play through hi-quality speakers as a bio-acoustic treatment session. Each parameter in this track is tuned to the harmonics within the spectrum of the 1122Hz fundamental. 1122Hz is a synthesis or "meta" frequency derived from calculating the output function of the first 12 direct solfeggio tones. Infused with the golden proportion, nested harmonics and healing intentions, this track creates a powerful sonic environment for healing and personal development.
\$4.00	EP Single	471Hz Inner Dimension	1	0h 21m 0s	Embark on an inner dimensional time traveling Alpha-Theta journey with 471 Hz Inner Dimension. From the archives of Source Vibrations, a gift to you.
\$8.99	EP Single	528Hz Golden Om Fractal	1	1h 11m 0s	For best results, please use stereo headphones. 528Hz-Golden Om Fractal incorporates the interval of the alchemical 5th balancing the yin and yang, or masculine and feminine circuits, resonating these energies along the central axis of the Heart Field. As we align the energetics of consciousness to the central strand of the Heart Field, we begin to attract more positive, gentle and abundant life experiences. This full length audio program is 1 hour and 11minutes and provides the sound sanctuary to enter a deep theta state, entraining the wave patterns of consciousness to resonate in harmony with the 528Hz carrier tone.
